After-School Art Club!

Spring/Summer
3rd - 10th Grade

Join us this May & June for, Sketching the Creatures of the Great Barrier Reef!

During this virtual program students will sharpen their drawing skills while exploring the amazing variety of creatures that inhabit the Great Barrier Reef-the largest coral reef system in the world! Through step-by-step instruction, students will learn to use shape, line, texture, and shading to portray each week's creature!

"After-School Art Club!" is now on Google Meet! This virtual program is tailored to families with students in grades 3-10. All you need is a personal-family Google account and email (not your students school account or email) to log on with! Classes fill up fast! Register early!

The Details:

- This Spring/Summer Session will run for 6 weeks, May-June.
- We will use **Google Meet*** for our 45min class on Monday afternoons, 5:15-6:00pm.
- Small class sizes, 15-20 students per class. Grades 3-10.
- We will use **Google Meet*** for our 45minute class each week.
- **All supplies are included** in the registration fee! Materials will be available via curbside pick-up the Friday before the Session starts. No refunds will be given once materials have been picked up.

Make new friends and re-connect with old friends who love art as much as you do! If you have **questions** about this virtual program please call/text 215-939-6892 or email: reneewilliamsrwin@gmail.com

Warm Regards, Mrs. Erwin :)
